

## Univar Solutions Selected as Midwest U.S. Distributor for BASF's Baxxodur®

DOWNERS GROVE, Ill., Aug. 29, 2019 /PRNewswire/ -- Univar Inc. (NYSE: UNVR) ("Univar Solutions"), a global chemical and ingredient distributor and provider of value-added services, has been selected as BASF's authorized Midwest United States distributor for Baxxodur® polyetheramine curing agents and chain extenders. With a deep industry knowledge and expansive distribution network, Univar Solutions is well positioned to represent these specialty products in the coatings, adhesives, sealants, and elastomers (CASE) markets.

"This is a great opportunity to add a highly complementary product to our CASE portfolio," said Joey Gullion, vice president, focused industries in the United States for Univar Solutions. "Utilizing our market-leading supply chain with BASF's high-quality amines will benefit our customers who count on us to bring technical solutions to their formulation requirements. We look forward to this new and exciting agreement."

Under the Baxxodur® brand, BASF markets a broad range of amine-based curing agents for professional epoxy resin and polyurea processing. Customers can select suitable curing agents with confidence based on BASF's years of experience producing these agents and the comprehensive information on product applications and properties the company provides.
