

Univar Solutions Receives Award for Excellence in Product Safety

DOWNERS GROVE, Ill., Aug. 27, 2020 /PRNewswire/ -- Univar Solutions Inc. (NYSE: UNVR) ("Univar Solutions" or "the Company"), a global chemical and ingredient distributor and provider of value-added services, announced today that the BNSF Railway Company (BNSF) recently honored Univar Solutions with the railroad's annual Product Stewardship Award for the safe transportation of hazardous materials by rail during 2019. The award recognized a total of 106 companies that transported an established minimum of loaded tank cars of hazardous materials with zero non-accident releases during the full transportation cycle throughout the year. Award recipients were also recognized for upholding the ethics of Product Stewardship under the American Chemistry Council's Responsible Care® initiative.

"At Univar Solutions we are serious about safety and pride ourselves in doing everything to protect our employees, suppliers, and customers," said Jon Webster, senior vice president, supply chain and operations. "This award is a perfect representation of our product stewardship commitment that is a cornerstone to the Univar Solutions safety culture."

Univar Solutions has received the BNSF Product Stewardship Award a total of seven times since 2010. "Safety is always our first priority and is the foundation for all aspects of our business operations," added Webster. "It's the safe transport and storage of products along with our operational practices and safe working conditions that enable us to protect our employees, customers, suppliers and the environment."

About Univar Solutions

Forward-Looking Statements

This press release includes certain statements relating to future events and our intentions, beliefs, expectations, and outlook for the future, which are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended, including, without limitation, statements regarding the impacts of the effects of COVID-19 on the Company, the Company's liquidity position, actions regarding expense control and cost reductions, expected net synergies from the Nexeo acquisition, capital expenditures and other statements regarding the Company's initiatives and expected future performance. Forward-looking statements are subject to known and unknown risks and uncertainties, many of which may be beyond the Company's control. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from the expectations and assumptions. A detailed discussion of these factors and uncertainties is contained in the Company's filings with the Securities and Exchange Commission. Potential factors that could affect such forward-looking statements include, among others: the ultimate geographic spread of the COVID-19 pandemic; the duration and severity of the COVID-19 pandemic; actions that may be taken by governmental authorities to address or otherwise mitigate the impact of the COVID-19 pandemic; the potential negative impacts of COVID-19 on the global economy and our customers and suppliers; the overall impact of the COVID-19 pandemic on our business, results of operations and financial condition; other fluctuations in general economic conditions, particularly in industrial production and the demands of our customers and the timing and extent of an economic recovery; significant changes in the business strategies of producers or in the operations of our customers; increased competitive pressures, including as a result of competitor consolidation; significant changes in the pricing, demand and availability of chemicals; our levels of indebtedness, the restrictions imposed by our debt instruments, and our ability to obtain additional financing when needed; the broad spectrum of laws and regulations that we are subject to, including extensive environmental, health and safety laws and regulations; an inability to integrate the business and systems of companies we acquire, including of Nexeo Solutions, Inc., or to realize the anticipated benefits of such acquisitions; potential business disruptions and security breaches, including cybersecurity incidents; an inability to generate sufficient working capital; increases in transportation and fuel costs and changes in our relationship with third party

providers; accidents, safety failures, environmental damage, product quality and liability issues and recalls; major or systemic delivery failures involving our distribution network or the products we carry; operational risks for which we may not be adequately insured; ongoing litigation and other legal and regulatory risks; challenges associated with international operations; exposure to interest rate and currency fluctuations; potential impairment of goodwill; liabilities associated with acquisitions, ventures and strategic investments; negative developments affecting our pension plans and multi-employer pensions; labor disruptions associated with the unionized portion of our workforce; and the other factors described in the Company's filings with the Securities and Exchange Commission. We caution you that the forward-looking information presented in this press release is not a guarantee of future events or results, and that actual events or results may differ materially from those made in or suggested by the forward-looking information contained in this press release. In addition, forward-looking statements generally can be identified by the use of forward-looking terminology such as "may," "plan," "seek," "will," "expect," "intend," "estimate," "anticipate," "believe" or "continue" or the negative thereof or variations thereon or similar terminology. Any forward-looking information presented herein is made only as of the date of this press release, and the Company does not undertake any obligation to update or revise any forward-looking information to reflect changes in assumptions, the occurrence of unanticipated events, or otherwise, except as required by law.
