

# Univar Solutions and Vitamin Angels Partner to Help Create a Healthier World for Underserved Pregnant Women and Children

**The collaboration will provide access to life-changing vitamins and minerals to more than 100,000 nutritionally vulnerable women and children around the world.**

DOWNERS GROVE, Ill., April 21, 2021 /PRNewswire/ -- Univar Solutions Inc. (NYSE: UNVR) ("Univar Solutions" or "the Company"), a global chemical and ingredient distributor and provider of value-added services, announced today that it has joined forces with Vitamin Angels to provide access to vital nutrients for pregnant women and children, supporting improved maternal and child health across the globe.

"Univar Solutions' partnership with Vitamin Angels demonstrates our shared commitment to breaking the cycle of undernutrition and improving the lives of underserved and at-risk women and children," said Matthew Ottaway, senior vice president, global consumer solutions. "Vitamin Angels' work aligns perfectly with our purpose-driven mission to help keep communities healthy, fed, clean and safe. As a trusted partner for nutraceutical health and wellness solutions, we're ecstatic to help increase access to wellness, innovation and nourishment, creating a healthier world and a healthier future together with Vitamin Angels."

The World Health Organization (WHO) estimates that at least half of the world's population lacks access to essential health services. Together with Vitamin Angels, the Univar Solutions' Nutraceutical Ingredients team is helping reduce malnutrition across the crucial span of a child's development, from conception to 5 years of age. Along with an immediate impact on health and nutrition, the support will help create the foundation for a more nutritionally sound future for women and children in many underserved communities.

A global provider of nutraceutical ingredients for more than 50 years, Univar Solutions is no stranger to helping improve lives and strengthening communities through nutrition. Vitamin Angels reaches 60 million pregnant women and children in every U.S. state and 65 countries worldwide. Working together, Univar Solutions and Vitamin Angels can help close the undernutrition gap and create a healthier world for generations to come.

Howard Schiffer, Vitamin Angels founder and president, added, "We are thrilled to partner with Univar Solutions, a company that truly cares about making this world a healthier place. Together, we will reach even more underserved women and children in the U.S. and around the world with the nutritional support they need to build the foundation for a healthy future."

## Forward-Looking Statements

This press release includes certain statements relating to future events and our intentions, beliefs, expectations, and predictions for the future, which are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are subject to known and unknown risks and uncertainties, many of which may be beyond the Company's control. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from the expectations and assumptions. A detailed discussion of these factors and uncertainties is contained in the Company's filings with the Securities and Exchange Commission. Potential factors that could affect such forward-looking statements include, among others: the ultimate geographic spread of the COVID-19 pandemic; the duration and severity of the COVID-19 pandemic; actions that may be taken by governmental authorities to address or

otherwise mitigate the impact of the COVID-19 pandemic; the potential negative impacts of COVID-19 on the global economy and our customers and suppliers; the overall impact of the COVID-19 pandemic on our business, results of operations and financial condition; other fluctuations in general economic conditions, particularly in industrial production and the demands of our customers; significant changes in the business strategies of producers or in the operations of our customers; increased competitive pressures, including as a result of competitor consolidation; significant changes in the pricing, demand and availability of chemicals; our levels of indebtedness, the restrictions imposed by our debt instruments, and our ability to obtain additional financing when needed; the broad spectrum of laws and regulations that we are subject to, including extensive environmental, health and safety laws and regulations; an inability to integrate the business and systems of companies we acquire, including of Nexeo Solutions, Inc., or to realize the anticipated benefits of such acquisitions; potential business disruptions and security breaches, including cybersecurity incidents; an inability to generate sufficient working capital; increases in transportation and fuel costs and changes in our relationship with third party providers; accidents, safety failures, environmental damage, product quality and liability issues and recalls; major or systemic delivery failures involving our distribution network or the products we carry; operational risks for which we may not be adequately insured; ongoing litigation and other legal and regulatory risks; challenges associated with international operations; exposure to interest rate and currency fluctuations; potential impairment of goodwill; liabilities associated with acquisitions, ventures and strategic investments; negative developments affecting our pension plans and multi-employer pensions; labor disruptions associated with the unionized portion of our workforce; and the other factors described in the Company's filings with the Securities and Exchange Commission. We caution you that the forward-looking information presented in this press release is not a guarantee of future events or results, and that actual events or results may differ materially from those made in or suggested by the forward-looking information contained in this press release. In addition, forward-looking statements generally can be identified by the use of forward-looking terminology such as "may," "plan," "seek," "will," "expect," "intend," "estimate," "anticipate," "believe" or "continue" or the negative thereof or variations thereon or similar terminology. Any forward-looking information presented herein is made only as of the date of this press release, and the Company does not undertake any obligation to update or revise any forward-looking information to reflect changes in assumptions, the occurrence of unanticipated events, or otherwise, except as required by law.
