## Forward-Looking Statements

This press release includes certain statements relating to future events and our intentions, beliefs, expectations, and outlook for the future, which are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are subject to known and unknown risks and uncertainties, many of which may be beyond the Company's control. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from the expectations and assumptions. A detailed discussion of these factors and uncertainties is contained in the Company's filings with the Securities and Exchange Commission. Potential factors that could affect such forward-looking statements include, among others: general economic conditions, particularly fluctuations in industrial production and consumption and the timing and extent of economic downturns increased competitive pressures, including as a result of competitor consolidation; potential supply chain disruptions; significant changes in the pricing, demand and availability of chemicals; our indebtedness, the restrictions imposed by, and costs associated with, our debt instruments, and our ability to obtain additional financing; the broad spectrum of laws and regulations that we are subject to, including extensive environmental, health and safety laws and regulations and changes in tax laws; potential cybersecurity incidents, including security breaches; an inability to generate sufficient working capital; transportation related challenges, including increases in transportation and fuel costs, changes in our relationship with third party transportation providers, and ability to attract and retain qualified drivers; accidents, safety failures, environmental damage, product quality issues; delivery failures or hazards and risks related to our operations and the hazardous materials we handle, potential inability to obtain adequate insurance coverage; ongoing litigation, potential product liability claims and recalls, and other environmental, legal and regulatory risks; challenges associated with international operations; exposure to interest rate and currency fluctuations; possible impairment of goodwill and intangible assets; the ongoing and evolving COVID-19 pandemic, including impacts on the global economy, our employees, customers, vendors and suppliers, and our business, results of operation and financial condition; significant changes in the business strategies of producers or in the operations of our customers; an inability to integrate the business and systems of companies we acquire, including failure to realize the anticipated benefits of such acquisitions; operational developments affecting our operations and growth; and other risks and uncertainties.

such acquisitions; negative developments affecting our pension plans and multi-employer pensions; labor disruptions associated with the unionized portion of our workforce; our ability to attract or retain a qualified and diverse workforce; our ability to execute on our strategies related to environmental, social, and governance matters, and achieve related expectations may be impacted as a result of evolving regulatory and other standards, processes, and assumptions, the pace of scientific and technological developments, increased costs and the availability of requisite financing and changes in carbon markets; and the other factors described in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, as well as other filings with the Securities and Exchange Commission. We caution you that the forward-looking information presented in this press release is not a guarantee of future events or results, and that actual events or results may differ materially from those made in or suggested by the forward-looking information contained in this press release. In addition, forward-looking statements generally can be identified by the use of forward-looking terminology such as "may," "plan," "seek," "will," "expect," "intend," "estimate," "anticipate," "believe" or "continue" or the negative thereof or variations thereon or similar terminology. Any forward-looking information presented herein is made only as of the date of this press release and the Company does not undertake any obligation to update or revise any forward-looking information to reflect changes in assumptions, the occurrence of unanticipated events, or otherwise, except as required by law.
