Forward-Looking Statements and Information

This communication contains "forward-looking statements" under applicable law regarding financial and operating items relating to the Company's business. Forward-looking statements generally can be identified by words such as "believes," "expects," "may," "will," "should," "could," "seeks," "intends," "plans," "estimates," "anticipates" or other comparable terms. All forward-looking statements made in this communication are qualified by this cautionary language.

Forward-looking statements are subject to known and unknown risks and uncertainties, many of which may be beyond the Company's control, that could result in expectations not being realized or could otherwise materially and adversely affect the Company's business, financial condition, results of operations or cash flows. Although the forward-looking statements are based on what management believes to be reasonable assumptions, we caution you that the forward-looking information presented in this communication is not a guarantee of future events or results, and that actual events or results may differ materially from those made in or suggested by the forward-looking information contained in this communication. For additional information regarding factors that could affect the Company, please see the Company's most recent annual report and other financial reports, including the information set forth under the caption "Risk Factors." Any forward-looking statements represent the Company's views only as of the date of this communication and should not be relied upon as representing the Company's views as of any subsequent date, and the Company undertakes no obligation, other than as may be required by law, to update any forward-looking statement.
